Gillotts Funeral Directors is owned and managed by The Eastwood Funeral Partnership, which consists of Barry and Elaine Hutsby, Joanne Hutsby and Anthony Topley, who between them have more than a century of experience in the Funeral profession. We pride ourselves on providing a caring and professional service, offering choice, and treating the families we serve in a fair and honest manner. We believe that providing information about the choices available, and the costs involved, is an important part of this.

This document shows the cost and specifications of the Attended and Unattended Funerals, which all funeral directors have to offer in the same format. It also includes a chart which details the level of service which is included in these packages. For comparison purposes, this chart also shows the levels of service available with a Bespoke Funeral, should these packages not be suitable for your needs. Our Bespoke Funerals Brochure and Price List is available from our premises or on our website.

Prices valid until 31st December 2023

Gillotts Funeral Directors - Terms of Business

Payments. As part of our arrangement process, we will discuss costs with our client and provide wherever possible a written estimate of the anticipated costs involved with the proposed funeral arrangements.

Deposits. For the Attended funeral and Bespoke funerals we request that the third party disbursements shown on the business estimate plus any requested alternative vehicle requirements are paid within three working days of arranging the funeral. The final account will be prepared approximately seven days after completion of our services and sent to the person named as our client on the estimate. If you require a copy of the account to go to a third party (i.e Solicitor/Bank) please let us know, but as our named client you remain liable for payment of the account.

For Unattended Funerals we require payment in full within three working days of making the arrangements for the burial or cremation.

We reserve the right to request full payment in advance in several circumstances, which if applicable, your funeral arranger will explain.

Payment Terms

Should the final account remain unpaid 21 days after the account was due, the business may at its discretion take the following options:

- Add interest to the account at the rate of 1% per month (12% per annum), payable from the date the account was first due until the total amount including any such interest is received in full.
- Place the outstanding debt with a collection agency or a solicitor to recover the outstanding monies plus any fees and charges incurred in the recovery of the debt.
- Prepare the matter for action by the courts to recover all amounts outstanding, adding all associated legal, court and other associated costs incurred by the taking of such action to recover the debt.

The coffin which is included within the Unattended and Attended packages is shown here.

This is a Foiled Finish Wood Effect coffin. This coffin uses wood-effect printed paper to cover the material used to construct the coffin, which is then given a protective finish. The coffin is finished with an engraved nameplate and four simple nickel-plated handles.

This coffin is only available in a limited range of set sizes. This may mean that in some circumstances it may not be suitable for the deceased, and it may be necessary to select an alternative option from our Bespoke Brochure, where all of the Veneered or Solid Timber coffins shown are constructed to the size and shape of the individual.

If this is necessary, you can calculate the cost of the coffin or casket provided by deducting the cost of this coffin within the Attended Package (£295) from the cost of the coffin or casket selected from the Bespoke Brochure and Price List.
